

Acknowledgements

All praise be to *allah*, the creator of the universe.

First and foremost, we are delighted to acknowledge our supervisor Dr Z. Ali Memon who provided a continuous stream of advice and assistance during the course of this project. Many thanks go to Dr Mahmood Al Qutayri, Dr Qahtan Mezhr and all other electronics strand Doctors for their availability and patience on our frequently asked questions. Thanks to Mrs. P. Burns for her comments on the grammar of the whole report. We also wish to thank Mr. Jamal Nur the college Assistance Librarian for his concern in providing us with the needed references. Thanks also extended for Mr. Hashim from the Laboratories' department who was kind enough to supply information about the Design Manager software. Furthermore, we would like to thank our families for their continuous support and kindness.
